TO : Chief, Operations School, Tr.

DATE: 9 March 1955

FROM : AC/OS/TR

SUBJECT: Weekly Activities Report #10
1 - 8 March 1955SIGNIFICANT ITEMSa. Progress Report on Special Air Force Training Program.

The target date for the commencement of this training program was changed again on Monday, 7 March. At that time, Colonel Giblo, USAF, advised the undersigned that the Air Force would like to commence the training on Monday, 16 May. D/TR, DD/TR, and C/OS/TR were advised of this change, and as a result, a meeting was held on Wednesday, 9 March with Colonel Giblo and Major Watters, USAF, C/OS/TR and the undersigned. We made the proposal to the Air Force representatives that this program be postponed until July 1955 so that at least five instructors from Maxwell Field could be entered in the course which would then enable the Air Force to conduct future courses with minimum support from CIA. Colonel Giblo's off-hand reaction to this proposal was not very favorable inasmuch as they are committed to get trained replacements to the field in June or July 1955. He stated, however, he would take this proposal up with Colonel Reeder and advise us further during the early part of the week of 14 March.
